

LDNIO A2317C USB, USB-C 30W Wall charger + USB-C Cable

Ref: 5905316144408

LDNIO A2317C USB, USB-C 30W Wall charger + USB-C Cable

LDNIO A2317C USB, USB-C 30W Wall charger + USB-C Cable

Charge up to 2 devices at the same time and don't wait too long for them to be ready for use. The LDNIO A2317C network charger is equipped with 2 ports (1x USB-A, 1x USB-C) and supports standards such as PD and QC. It provides a total output power of up to 30W and features a portable, compact design. It also guarantees safe use and is extremely durable. You will also find a USB-C cable included.

Fast charging

No more prolonged waiting for your devices to be ready for use again! The LDNIO charger will allow you to charge your smartphone or tablet in a surprisingly short time. Its USB-C port supports fast PD charging, while USB-A supports the QC standard. What's more, the total output power of the device reaches 30W.

Charge 2 devices simultaneously

With 2 available ports, you can conveniently charge 2 devices at the same time. You no longer need to use an additional charger or wait for one device to be charged before plugging in another! The A2317C also features wide compatibility. With its help you can easily charge your Android phone, tablet, iPhone and even laptop!

Improved design

The charger is extremely lightweight and compact - you can always carry it with you. It won't take up much space in your purse or backpack! The device also ensures the safety of use - it is protected against overvoltage, overheating, short circuit and overcharging, among other things. What's more, its housing was made of flame-retardant PC plastic.
