

ORICO 2.5 / 3.5 inch USB3.0 Hard Drive Dock

ORICO 2.5 / 3.5 inch USB3.0 Hard Drive Dock

Ref: 6936761869201

Orico Docking Station for 2.5 / 3.5" HDD and SSD

Open up unlimited possibilities for yourself. The horizontal hard drive docking station will allow you to expand your storage by up to 10Tb. Store more movies, files and important data or copy old files without any restrictions. The USB 3.0 interface allows for high-speed data transfers of up to 5Gb/s so you can keep your work flowing.

Easy to use

You don't need any drivers, special software or tools to use the HDD docking station. Thanks to its clever design, you can plug it in seamlessly within seconds and use it in a variety of ways to streamline your work or lose yourself in your favorite entertainment.

Compatibility

The Orico is compatible with SATA I, II and III hard drives as well as SSD drives. Being able to read information on almost any system is a very important feature of the docking station, that's why the 6518US3-V2-BK supports almost all systems including Windows/Mac/Linux and can be connected to multiple devices such as a PC or TV.

Superior performance

Thanks to years of experience in designing storage devices and the use of modern technologies, you can manage your data securely with

the Orico docking station. In addition, it has a Multi-Safety System that protects against overvoltage, short-circuit and overheating, and the UASP protocol reduces CPU usage so you can enjoy your docking station for years to come.

Practical design

The operation of the docking station is very clear. The blue light turns on when the device is connected to the power supply and the LED starts blinking while reading data. The minimalism with which the device was made will work in any type of room.
