Power strip with 4 AC sockets, 4x USB, LDNIO SC4408, EU/US, 2500W (white)

Ref: 6933138691441

Power strip with 4 AC outlets, 4x USB, LDNIO SC4408, 2500W (white).

LDNIO power strip is the ideal solution if you want to charge multiple devices at the same time. Moreover, you'll do it, in no time, as its power output is 17W. It will be perfect for any type of equipment, because it will accommodate even large adapters. The 2-meter long power cord will allow you to seamlessly connect equipment, located in different parts of the room.

**Multifunctional power strip**

The LDNIO SC4408 power strip will keep you comfortable with its design, which is inclined at a 15-degree angle. It will even accommodate large UK/EU/US plug adapters, making it a universal power supply. In addition, it also has 4 USB ports, so you won't have to reach for a charger. It is suitable for any size of household appliances and mobile devices, as its output power is 2500 watts. In addition, it will provide fast charging for phones and tablets.

**Multi-layer protection**

This power strip is not only an indispensable power supply in your home, it is also a guarantee of safety. It has been equipped with a button that shuts it down in the event of an overload. In addition, it also has independent switches at each socket. It exhibits IPX6 water resistance. LDNIO's power strip is made of high-quality PC material that is fireproof. This gives it multifunctional protection, and you can be sure that it is safe to use.
