Power strip with 4 AC outlets, 4x USB, LDNIO SC4407, 2500W (white)

Get more space with the Ldnio power strip. It's equipped with 4 AC outlets and 4 USB ports that support QC3.0 and AUTO-ID protocols, so you can charge several devices at once in no time. The power strip is distinguished by a number of safety features, and its output power is 2500 watts, so you can plug in most home appliances and mobile devices without worry.

**Wide compatibility**

You don't have to worry about compatibility - the USB ports support fast charging protocols and will successfully charge almost any of your devices. Even if you have only one outlet at your disposal, the Ldnio strip will allow you to use as many as 4 devices at the same time. The comfort of use will be enhanced by the 2m cable.

**Safety above all**

The Ldnio power strip has been equipped with a waterproof mechanical switch to protect your equipment from children, among other things. High-quality, flame-resistant PC has been used for its construction, the copper core has been reinforced, and a smart chip automatically adjusts the voltage to ensure complete safety of your devices.
