

Power strip with 2 AC sockets, 3x USB, 1x USB-C LDNIO SC2413

Ref: 6933138691991

Power strip with 2 AC sockets, 3x USB, 1x USB-C LDNIO SC2413, EU/US, 2500W (white)

Power strip with 2 AC outlets, 3x USB, 1x USB-C LDNIO SC2413, 2500W (white)

Get more space with the Ldnio power strip. The strip is equipped with two AC outlets and three USB and one USB-C port that support PD3.0 and QC3.0 protocols, so you can charge several devices at once in no time. The output power is 2,500 watts, so you can easily plug most home appliances or mobile devices into the strip. What's more, the strip is equipped with a number of safety features, so your equipment is protected on multiple levels.

Wide compatibility

You don't have to worry about compatibility - the USB and USB-C ports support fast charging protocols and are compatible with most devices. If you only have one outlet available, the Ldnio strip will offer you two. You can forget about extra chargers, too, as the strip will accommodate up to four mobile devices at once and provide them with fast charging, and thanks to its smart voltage adjustment feature, it will take care of each of them.

Safety first

The Ldnio power strip is distinguished by its IPX6 waterproof rating. It is equipped with waterproof mechanical switches to protect the equipment from children. High-quality, flame-resistant polycarbonate was used in its construction to ensure the complete safety of your devices.
