

Lightning Cable LDNIO LS602 30W, 2m

Lightning Cable LDNIO LS602 30W, 2m

Ref: 5905316144521

LDNIO LS602 30W Lightning Cable, 2m

LDNIO's Lightning to USB 3.0 cable uses 30W power, so you can quickly renew your device's energy. What's more, you can use it to transfer files at 480 Mbps. In addition, the durable construction means that the cable will serve you for a long time.

Device charging and file transfer

With the LDNIO LS602 cable you can quickly renew your device's energy. In addition, it allows you to transfer files at 480 Mbps - no more waiting indefinitely for your photos, videos or important documents to copy.

Durable

LDNIO's cable has passed a series of durability tests, so you can be sure it will last you a long time. The LS602 is finished with environmentally friendly TPE plastic, and the connectors were created from corrosion-resistant material. They are also resistant to wear and tear.
