LDNIO LS461 LED, 1m Lightning Cable

LDNIO LS461 LED Lightning cable, 1m

Instantly restore the energy in your iPhone with the LDNIO LS461 cable. The cable supports fast charging with 2.4A and stands out for its incredible durability. It allows charging and data transfer at the same time. In addition, it is equipped with a colour LED indicator. It is compatible with devices that have a Lightning port.

## Fast charging

You no longer have to waste time waiting for your smartphone to be ready to use. The cable supports fast charging with a current of 2.4A. This means it only takes a few moments to restore power to your iPhone or iPad!

## Carefully thought-out design

Environmentally friendly materials have been used to make the cable with impressive durability. The cable is resistant to pulling and repeated bending, so you can be sure it will last you a long time. What's more, it has a built-in LED indicator that lights up in up to 7 different colours.
