

LDNIO LS371 1m Lightning Cable

LDNIO LS371 1m Lightning Cable

LDNIO LS371 1m Lightning cable

Now you can conveniently and safely renew the energy in your smartphone. The LDNIO LS371 cable provides a current of up to 2.1A and also allows data transmission. It is extremely resistant to wear and tear.

Fast charging

The cable offers charging with a maximum current of up to 2.1A. As a result, you won't have to wait too long until your device is ready for use again. With its help, you will be able to renew the energy in equipment equipped with a Lightning port without any problems.

Clever design

The product features a wear-resistant and damage-resistant design. It has been made from environmentally friendly materials that are flexible and pleasant to the touch. They also stand out for their resistance to pulling and repeated bending.
