

Hard drive Enclosure Orico HDD 2,5" USB Micro B 3.0 + A to M

Ref: 6936761863971

Hard drive Enclosure Orico HDD 2,5" USB Micro B 3.0 + A to Micro B Data Cable, 0.5M

External enclosure for drives SATA / HDD 2.5 cala

Enclosure with USB type C dedicated to 2.5 inch HDD / SSD. The body of the enclosure is made of metal panel, the upper and lower cover have holes with honeycomb structure, thanks to which the generated heat is evenly dispersed. The chip used is a JMICRON USB 3.0 to SATA 3.0 model, providing data transfer speeds up to 5Gb/s. Built-in "sleep" mode increases disk life and saves energy. Built-in notification light informs about the current status.
