USB to USB-C cable LDNIO LS611, 25W, 1m (green)

Ref: 5905316144590

LDNIO LS611 USB to USB-C cable, 25W, 1m (green)

Transfer files and charge your device at the same time. The LDNIO LS611 cable supports PD and QC 3.0 fast charging protocols, so you don't have to wait long until your device is ready to use again. In addition, the use of high-quality materials is responsible for the durability of the product.

Fast charging and file transfer

LDNIO LS611 works with PowerDelivery and Qualcomm Charge 3.0 fast charging protocols, allowing you to charge your device quickly and safely. For better results, it is recommended to use an LDNIO charger. What's more, you can instantly copy the files you need at the same time.

Durable construction

The product is made of ABS and finished with PVC plastic, which translates into resistance to wear and breakage. In addition, the connector has been additionally reinforced, so you can be sure that LDNIO LS611 will serve you for a long time.
