LDNIO LS362 2m microUSB Cable

LDNIO microUSB cable LS362 2m

Get possible instant charging for your smartphone. The LDNIO LS362 cable offers up to 2.4A charging and ensures safe use. It is compatible with a range of devices that have a microUSB port. It also stands out for its robust and wear-resistant design.

Fast charging

Forget about charging your phone indefinitely. The cable allows fast charging with a maximum current of 2.4A. As a result, restoring power to your smartphone will only take a few moments. With the LS362 cable, you can easily restore the energy in equipment equipped with a microUSB port, including tablets or wireless headphones.

Impressive durability

You don't have to worry about having to replace the cable with a new one too soon! The product has been made of extremely durable PVC material, which is resistant to bending, pulling or tangling. So you can be sure that the cable will serve you well for a long time.
