LDNIO LS362 2m USB-C Cable

LDNIO LS362 2m USB-C cable

Get possible instant charging for your smartphone. The LDNIO LS362 cable offers up to 2.4A charging and ensures safe use. It is compatible with a range of devices that have a USB-C port. It also features a durable and wear-resistant design.

Fast charging

Forget about charging your phone indefinitely. The cable allows fast charging with a maximum current of 2.4A. As a result, restoring power to your smartphone will take just a few moments. With the LS362 cable, you will easily restore energy in equipment equipped with a USB-C port, including your smartphone, tablet or wireless headphones.

Impressive durability

You don't have to worry about having to replace the cable with a new one too soon! The product is made of extremely durable PVC plastic, which is resistant to bending, pulling or tangling. So you can be sure that the cable will serve you well for a long time.
