Car charger LDNIO DL-C17, 1x USB, 12W + USB-C cable (white)

LDNIO DL-C17 car charger, 1xUSB, 12W + USB-C cable (white)

Don't let your devices discharge while traveling. The LDNIO DL-C17 12W car charger is widely compatible with many models of smartphones, tablets and more. It is equipped with a USB port and will be perfect for most cars, including vans and trucks. It provides a number of safety features and is made of sturdy materials. The kit comes with a 1m USB-C cable.

An essential for traveling

If you often drive, the LDNIO charger will certainly be useful for you. With its help you will renew the energy of the devices you need with a power of 12 watts. Its voltage reaches 24 V. Connect the charger to your car cigarette lighter and enjoy fast charging!

Total safety of use

LDNIO charger supports Auto ID function, so it automatically identifies the connected device. As a result, it adjusts the voltage accordingly, thus ensuring the safety of the battery of the device being charged.

Thoughtful design

The product is made of high-quality materials, making it sturdy and not susceptible to damage. You can be sure that it will serve you for a long time. What's more, the compact design makes it easy to take it with you anywhere.
