

LDNIO LC111 1m USB-C - Lightning Cable

LDNIO LC111 1m USB-C - Lightning Cable

Ref: 5905316142893

LDNIO LC111 USB-C/Lightning cable 1m

Instantly charge your iPhone, camcorder, game console, tablet or MP3 / MP4 with the LDNIO cable. The 1m cable features USB-C and Lightning connectors. The LC111 supports the PD 18W fast charging protocol. As a result, 30 minutes is enough for the charge level of the iPhone 11 battery to reach 50%. The cable also allows data transfer. Thanks to the fact that it is made of solid materials, it features high durability.
