Cordless vertical vacuum cleaner Midea X8 MWD2221WW

Midea X8 MWD2221WW cordless upright vacuum cleaner

With the Midea X8 you can easily make the floors in your home sparkle clean. With the help of this multifunctional device, you can easily wash and vacuum all kinds of surfaces - from tiles to panels. The vacuum cleaner is distinguished by the power of 220W, and its working time on a single charge reaches 35 minutes. The product automatically adjusts the suction power to the degree of dirt on the floor and offers a self-cleaning function. It is also very convenient to use and is equipped with 2 tanks - for dirty and clean water.

Reliable in the fight against dirt

Midea X8 vacuum cleaner can perfectly cope with dust, crumbs and other dry waste, as well as with spilled water or milk stains. It allows not only vacuuming, but also wet mopping of the floor. It automatically adjusts the suction power according to the degree of contamination of the surface, so it eliminates dirt in a short time without using too much energy. It also comes with a bottle of detergent, with the help of which you can take even better care of the cleanliness of your apartment.

Built-in LCD screen

Make your vacuum cleaner easier to use. The X8 is equipped with a user-friendly LCD display that will give you convenient access to the most important information. With its help, for example, you can check the current mode of operation and the battery charge level. You no longer have to wonder when to plug the device into the power supply - now all you have to do is take a look!

Automatic cleaning

Don't waste time manually cleaning your vacuum cleaner. The X8 offers an automatic cleaning function for the brush roll and the tube. The device will quickly and thoroughly clean these components using clean water and detergent. This way you don't have to worry about dirt getting back on the floor you just cleaned! Midea X8 vacuum cleaner will always be ready to serve you.

Convenient operation

Midea proves that cleaning doesn't have to require much effort at all. The X8 vacuum cleaner uses its own drive, making it extremely easy and comfortable to drive. The specially designed handle fits well in the hand and provides greater comfort. The device is also equipped with separate tanks for dirty and clean water, so you can be sure that your floor after cleaning will be spotlessly clean and there will be no dirt just collected on it.

Working time of up to 35 minutes

Don't worry that the vacuum cleaner will run out of power too quickly and you'll need to take an extra cleaning break to recharge it. The X8's run time reaches 35 minutes on a single charge - enough to thoroughly vacuum the floors of your entire home. To charge the device, simply place it in the included station, which also allows for convenient storage.
