

## Dash camera Hikvision G2PRO GPS 2160P + 1080P

Ref: 6942160417844

Dash camera Hikvision G2PRO GPS 2160P + 1080P

Hikvision G2PRO GPS video recorder 2160P + 1080P

The Hikvision dashcam G2PRO has been created with you in mind if you are looking for modern equipment for your car. The camera will record every incident on the road, thanks to a 64GB eMMC drive and the ability to support SD cards from 32GB to 128GB. It is comfortable to use as its installation and operation are very simple.

### Hassle-free use

The image you see on the video recorder is clearly visible, as it is equipped with a 3-inch touchscreen with a resolution of 960\*480. In addition, the WiFi module will ensure your comfort. Furthermore, this camera also has a built-in microphone, speaker and audio input.

### Perfect picture day and night

The resolution of the Hikvision camera is up to 2106P, so you will get a perfect picture during the day. A perfect night view will be provided by the additional F1.75 aperture. You don't have to worry about running out of memory, as the video recorder is equipped with a 64GB eMMC drive and also has the ability to support SD cards from 32GB to 128GB.

### Modernity and security

A G-Sensor module has been built into the Hikvision dashcam G2PRO, which gives the option of emergency recording during strong vibrations or collisions. This will ensure that any dangerous situation on the road is recorded. In addition, it has been equipped with a GPS

module. You will display your current speed with it, as well as being able to track your route. With the dedicated app for your phone, you can view the live view, change the configuration of parameters and play back recordings.

#### Easy operation

The Hikvision dashcam G2PRO is easy to install and use. Once the vehicle is started, it will turn on automatically. Voice control will make its operation even more pleasant. It also shows low energy consumption with high performance. This ensures that its operation is uninterrupted.
