LDNIO SC2311 Power Strip with 2 AC Outlets, 2USB, USB-C, 250

Ref: 6933138691540

LDNIO SC2311 Power Strip with 2 AC Outlets, 2USB, USB-C, 2500W with Night Light, EU/US (White)

LDNIO SC2311 power strip with 2 AC outlets, 2xUSB, USB-C, 2500W with night light (white)

LDNIO SC2311 power strip allows you to connect as many as 5 devices simultaneously. This is possible thanks to 2 AC outlets, 2 USB-A ports and 1 USB-C port. The product is made of fire-resistant PC, and the safety features increase the level of safety of use. What's more, the device can also function as a bedside lamp, the brightness of which is adjustable.

Connect 5 devices simultaneously

LDNIO power strip will be perfect not only at home, but also in the office. It is distinguished by its 2500W power output and allows you to power 2 devices via AC outlets. Meanwhile, 2 USB-A ports and 1 USB-C port allow you to charge compatible equipment. What's more, the SC2311 supports fast charging protocols such as PD 20W and QC3.0.

Power strip and night light in one

LDNIO's product will not only power and charge your devices, but also provide a source of light. Using the built-in button, you can adjust the brightness level. Thanks to this, the lamp will prove useful in various situations. Find out for yourself!

A range of safety features

A flame-resistant PC material was used for the LDNIO power strip. What's more, the product has a smart chip and a safety feature that minimizes the risk of electric shock. So you don't have to worry about the safety of your child who might get close to the strip.
