

Battery Discharger Analyzer SkyRC BD350 for SkyRc T1000

Ref: 6930460007711

Battery Discharger Analyzer SkyRC BD350 for SkyRc T1000

SkyRC BD350 Battery Discharger / Battery Tester for SkyRC T1000

The SkyRC BD350 discharger allows you to discharge a wide range of batteries without any problems - just connect it to the SkyRC T1000 Maestro Charger. The device offers a maximum discharge rate of 40A and up to 350W of power. What's more, if you additionally use the Charge Master software, the product can act as a reliable measuring tool. With its help, you will check the exact capacity and performance of the battery - so you can quickly determine its capabilities and prepare for the next race!
