Bluetooth 5.0 USB adapter Vention CDSB0 (black)

Conveniently use your wireless devices with Vention! The Vention CDSB0 adapter uses Bluetooth 5.0 connectivity, which provides a fast and stable connection to the selected device up to 20 meters. It allows you to pair up to 7 devices at the same time, and features wide compatibility.

Reliable connection

Worried about signal problems? Don't be! With Bluetooth 5.0, the adapter provides fast, stable transmission with a range of up to 20 meters, with lower power consumption. Forget about delays and interference! The device is also backward compatible with Bluetooth versions 4.0, 4.1 and 4.2. What's more, you only need to pair the adapter with the selected device once, and the connection will be established automatically every next time!

A range of possibilities

The adapter will be great for many situations. You can successfully pair it with as many as 7 devices at the same time. Among other things, you will use it to connect wireless headphones or a game controller with your computer. Want to quickly print documents from your phone? No problem at all!
