5in1 adapter HUB Vention TFBHB USB-C to HDMI 4K@60Hz, 3x USB 3.0, PD (Gray)

5in1 adapter HUB Vention TFBHB USB-C to HDMI 4K@60Hz, 3x USB 3.0, PD (Gray)

Want to increase the capabilities of your laptop? The 5-in-1 adapter by Vention will help you do just that! It offers an HDMI port that supports 4K resolution, a USB-C port that supports PD 87 W fast charging, and 3 USB-A ports that allow you to transfer files at speeds of up to 5 Gbps. The product is compatible with most devices such as laptops, tablets and smartphones (the phone must support OTG). It also works perfectly with Windows 10, Windows 8, Windows 7, Windows XP, Linux, Android and Mac OS.

### 3 available USB-A ports

Get up to 3 additional USB-A ports and enjoy more convenient computer work. For example, the adapter will allow you to connect a mouse, keyboard, desk fan, lamp, graphics tablet, printer or portable drive. It also allows you to transfer files at speeds of up to 5 Gbps. It's ideal for people who frequently transfer photos or videos between devices - it will save time!

### High image quality

Show your loved ones your vacation photos or watch your favorite movie on a bigger screen. The adapter is equipped with an HDMI port, which, for example, allows you to display images from your laptop on your TV and supports 4K / 60 Hz resolution. The product is also compatible with the Nintendo Switch console. Now you can enjoy even more convenience when playing your favorite games!

### Even more convenience

Don't worry that your laptop will suddenly discharge and interfere with your work. The adapter's USB-C port supports PD 87W fast charging - so you can charge your device of choice in no time. As many as 3 independent chips are responsible for the reliable, stable operation of the product, and a built-in LED indicator will notify you of its status. The hub is also very light and compact, yet durable. So you can always have it at hand!
