

LDNIO LS482 2m USB - Lightning Cable (Red)

LDNIO LS482 2m USB - Lightning Cable (Red)

LDNIO LS482 LED Lightning cable, 2 m

The LDNIO LS482 cable allows fast charging with up to 2.4A and also enables data transmission. It stands out for its above-average durability and wear resistance. You don't have to worry about damaging your device either. It is ideal for charging Apple-branded devices. What's more, it features LED backlighting in up to 7 colours for a modern touch.

Instant power replenishment

Use this cable to easily charge a range of devices with a Lightning port, such as your iPhone or iPad. The cable supports fast charging with a current of 2.4A, so it won't take you long to charge. Furthermore, it allows you to renew energy and data transfer at the same time.

Robust and safe

You can rest assured that the LDNIO LS482 cable will serve you brilliantly for a long time. The cable has undergone a series of rigorous tests to prove its durability, and the end has been further reinforced to prevent breakage. You don't have to worry about the safety of your equipment either. It features an intelligent chip that automatically adjusts the charging parameters to the connected device.

Specification:

□Manufacturer

Ref: 5905316143517

□LDNIO
□Model
□LS482
□Length
□2 m
□Output current
□2.4A
□Connectors
□USB-A / Lightning
