LDNIO LS482 2m USB - Micro USB Cable (Red)

Ref: 5905316143524

LDNIO LS482 2m USB - Micro USB Cable (Red)

LDNIO LS482 LED microUSB cable, 2 m

The LDNIO LS482 cable allows fast charging with up to 2.4A and also enables data transmission. It stands out for its above-average durability and wear resistance. You don't have to worry about damaging your device either. It is ideal for charging a powerbank or wireless headphones. What's more, it is equipped with LED backlighting in up to 7 colours, which gives it a modern touch.

Instant power supply

With the cable, you can easily charge selected devices that are equipped with a microUSB port. The cable supports fast charging with a current of 2.4A, so it will not take you long to charge. Furthermore, it allows you to renew energy and transfer data at the same time.

Robust and safe

You can rest assured that the LDNIO LS482 cable will serve you brilliantly for a long time. The cable has undergone a series of rigorous tests to prove its durability, and the end has been further reinforced to prevent breakage. You don't have to worry about the safety of your equipment either. It features an intelligent chip that automatically adjusts the charging parameters to the connected device.
