

LDNIO LS50 0,15m USB - Micro USB Cable (White)

Ref: 5905316143555

LDNIO LS50 0,15m USB - Micro USB Cable (White)

LDNIO LS50 microUSB cable 15 cm

Now you will not only renew energy in your device in no time, but also transfer files! The LDNIO LS50 cable supports high-speed charging at 2.4A and will allow you to renew energy in equipment equipped with a microUSB port. It also allows you to transmit data at speeds of up to 480 Mbps. It is made of durable and wear-resistant materials. Its length is 15 cm, which makes it perfect for charging your device with a powerbank.

Fast charging and data transmission

The cable allows you to instantly charge your devices with 2.4A. Thanks to this, you will restore energy in your smartphone or tablet in just a few moments. However, that's not all! With its help you can also freely transfer files between selected devices at speeds of up to 480 Mbps. You no longer have to wait indefinitely to copy photos or necessary documents!

Durable design

You don't have to worry that the cable will get damaged after just a few uses! High-quality materials were used in its construction, which are distinguished by above-average durability. In addition, it has passed a number of rigorous tests that will ensure the safety of use.
