

LDNIO LS521, 1m USB - Lightning Cable (Grey-Blue)

Ref: 5905316143579

LDNIO LS521, 1m USB - Lightning Cable (Grey-Blue)

LDNIO LS521 1m Lightning cable

The LDNIO LS521 cable will allow you to renew the power in your Apple devices in no time. It offers fast charging at 2.4A, and allows you to transfer data and charge at the same time. In addition, it is equipped with a practical LED backlight.

Safe use

The cable allows charging with a maximum current of 2.4A, so it won't take you long to charge your device. The product has passed many rigorous quality and safety tests, so you don't have to worry about damaging your smartphone. In addition, it has a smart chip that automatically adjusts the charging parameters to the connected device.

With attention to detail

Now you can easily find your cable in any conditions. The cable is equipped with LED backlighting, which emits a gentle and eye-friendly green light. This solution will allow you to easily connect your smartphone for charging even in the dark.
