USB - Micro USB cable LDNIO LS611 1m (green)

Now you can charge your devices equipped with a micro USB port in even less time. The LDNIO LS611 cable provides up to 25W of power for unparalleled efficiency. The product is made of durable, environmentally friendly materials and has a length of 1m.

Impressive power

You no longer have to wait long for your devices to be charged. The LS611 cable stands out with up to 25W of power, allowing you to quickly renew the energy of your phone, tablet or wireless headphones. Bet on proven solutions and save time!

High quality design

Stock up on a cable that will serve you well for years to come. The LS611 is made of high-quality materials such as ABS, for example. This makes it extremely durable and resistant to damage or wear. It is also not intimidated by bending and pulling.
