Do you like to have multifunctional grooming tools in your cosmetic case? The Nextool nail clipper is the tool you need. It will work well not only for manicures or pedicures, but also for opening packages or cutting tape. In addition, thanks to its lightweight and small design, it will fit into the smallest pocket of a makeup bag.

Not only for nails

The Nextool nail clipper is a multifunctional tool. Not only will it help you get a proper manicure, but it will also work well for opening boxes or cutting belts in an emergency. You can use this compact and versatile pocket tool in many cases, making it a must-have in every purse and every backpack.

Durable and reliable

The Nextool is made of aluminum alloy, making it very durable. Its blade, created from stainless steel, is resistant to dulling, so you can enjoy perfect sharpness. In addition, the clipper is very ergonomic and will lie well in your hand, so its use is very easy and comfortable.

Ergonomic tool

The multifunctional nail clipper is small in size and very lightweight, so you can take it anywhere with you. In addition, its handle has

been elongated, so the tool is more comfortable to hold and your hand won't get tired while doing things.
