

## Auto Pet Feeder Cheemore

Auto Pet Feeder Cheemore

Ref: 6971883204431

### Cheemore M1688 automatic food dispenser

Automatic food dispenser Cheemore M1688 will provide your pet with constant access to food. The product is distinguished by its 5-liter capacity, so you don't have to sprinkle food too often, and the control panel will allow you to adjust the dispenser's operation as needed. The device also has a built-in speaker and is powered in 2 ways.

### Simple, convenient operation

Operating the dispenser will not cause you any problems. The Cheemore M1688 features a few buttons that you can use to turn the device on/off or adjust the number of meals (1-6) according to your pet's needs. You can also set the time and time when the food will be dispensed. Meanwhile, from the display you can read, for example, which buttons are locked, and a red indicator will let you know if the battery level is low.

### Built-in speaker

Now you can call your pet for a meal even when you're not home. The automatic food dispenser has a built-in speaker and allows you to record short voice messages that will turn on moments before the set meal time.

### 2 ways to power it

The Cheemore M1688 works wired, you just need to plug it into a power source. You'll find a 1.5m USB cable included. In addition, the dispenser has a dedicated slot for C x3 alkaline batteries (not included), which can provide emergency power in case of a temporary power outage. This is a perfect solution when you are often away from home or away for a few days.

#### Thoughtful design

The Cheemore automatic food dispenser is equipped with a 5-liter food tank - so there is enough food for several days. The product is made of ABS and PC plastics, and the bowl is made of stainless steel, so you can be sure that the device will serve you for a long time. In addition, the included desiccant helps keep the feed fresh for longer. Moreover, the M1688 will work well for both cats and dogs.
