

Extension Cable USB 3.0 male USB to female Vention VAS-A45-B

Ref: 6922794721289

Extension Cable USB 3.0, male USB to female USB, Vention 2m (Black)

Extension Cable USB 3.0, male USB to female USB, Vention 2m (Black)

Enjoy more comfort while working, gaming or watching movies. The Vention VAS-A45-B300 extender will allow you to conveniently charge devices, use equipment such as a printer or gaming controller, and transfer files at speeds of up to 5 Gbps. It now only takes about 5 seconds to copy 1 Gb of data! The cable is also distinguished by its durable construction - its most vulnerable parts have been additionally reinforced. It will serve you perfectly for a long time!

Many applications

The product is compatible with most popular USB devices. With its help, for example, you can connect a mouse, portable drive or printer to your computer. You no longer need to plug equipment into hard-to-reach ports every time - just use an extension cable. The cable will also allow you to connect a game console pad - get more freedom of movement during gameplay!
