

## Deko Tools Miter saw DKMS1450-210F

Deko Tools Miter saw DKMS1450-210F

Deko Tools DKMS1450-210F Mitre Saw

Looking for a saw for multiple applications? The Deko Tools DKMS1450-210F will work well in the workshop and on the construction site. It features 1450 watts of power and a speed of 5,000 rpm, making it ideal for handling both wood and aluminum. The device features a swivel base that allows both sides to cut at a 45° angle, while the cutting head has a knob that adjusts the left-hand tilt from 0-45°. For greater comfort, the handle has been covered with rubber, so you can be sure of a stable grip while working. What's more, the use of a vise and side supports will make cutting longer objects easier, while the blade guard will ensure that you can use the equipment safely.

Ref: 6975495580112
