

Gasoline generator Deko Tools DKGG3215CE, 220V

Ref: 6975495582550

Gasoline generator Deko Tools DKGG3215CE, 220V

Deko Tools DKGG3215CE, 220V gasoline generator set

You no longer have to worry about a sudden power outage. With the Deko Tools generator set you get an additional emergency power source. What distinguishes the device is its high maximum power of up to 3 kW and 4-stroke OHV engine. In addition, its fuel tank has a capacity of 15 l, and its consumption during operation is only 0.6l/1h. This makes the device capable of generating electricity for a long time and will be reliable on the construction site or as an emergency power source.

Enormous power

The DKGG3215CE generator set will be an excellent source of emergency power, as its maximum output is 3 kW. In addition, it is equipped with an AVR system to ensure your comfort. What does this mean? This means that the device will automatically regulate the voltage in the range of 220-240 V.

Reliable motor

A 2-stroke gasoline engine with a carburetor is responsible for the reliable and efficient operation of the Deko Tools generator set. The unit has a large fuel tank with a capacity of 15 liters, and it consumes an average of only 0.6l/1h, allowing continuous operation for up to 25 hours. It is recommended to use 5W-30 oil.

The Deko Tools aggregator is not only a very functional device, but also very comfortable to use. It is equipped with a coil or electric start system, so you can be sure that it will always start when you need it. In addition, it also has 2 230-volt outlets so that you can connect more devices at the same time. Moreover, its noise level is 75-80 dB, which means it is quiet for a generator.

Safety

Deko Tools is a guarantee of safety. You don't have to worry about the device overheating, as it is equipped with an air cooling system. In addition, it also has short-circuit protection for the power outlet, and it has an IP23 waterproof rating, which means you can use it even in the rain.

Included

- 2 x VDE spark plugs
- 1 x spark plug replacement tool
- 1 x 12-volt charging cable

Specification:

- Producer
- Deko Tools
- Model
- DKGG3215CE
- Engine type
- Single cylinder, air-cooled, OHV, 4-stroke gasoline engine with carburetor, copper winding
- Rated voltage / frequency
- 220 V - 240 V ~50 Hz
- Maximum power
- 3 kW
- Rated power
- 2.8 kW
- DC output
- 12 V / 8.3 A
- Rated speed
- 3000 rpm
- Starting system
- solenoid/electric
- Fuel tank capacity
- 15 l
- Engine oil tank capacity
- 0,5 l
- Ignition system
- TCL
- Weight
- 40 kg
- Operating time
- up to 25 hours
- Recommended oil
- 5W-30
