

## Deko Tools DKF0307 Digital Universal Multimeter

Ref: 6974491582496

Deko Tools DKF0307 Digital Universal Multimeter

Digital universal multimeter Deko Tools DKF0307

Are you looking for a universal device that will be helpful during electrical work? Deko Tools digital multimeter will be for you! With its help you will make a lot of measurements. In addition, this equipment is comfortable to use thanks to its LED display and large dial.

### Comfort of use

Deko Tools DKF0307 digital universal multimeter will provide you with comfortable work. It will lie well in your hand, and thanks to its light weight, you will not tire your hand while using it. In addition, it is equipped with an LED display, a large dial and a back light, for even more convenience. What's more, when you don't use it for a long while, it will automatically turn off the power. As a result, it will be able to run even longer on a single battery.

### Multifunctional device

The Deko Tools DKF0307 multimeter is a multifunctional and versatile device. With its help, you will be able to make a wide variety of measurements. In addition, it is equipped with a data backup function, so you won't have to make the same measurement twice. Its operating temperature is between 0-40°C, which means that even on very hot days you will be able to use it.
