Charge your devices even faster. Vention's USB-C to USB-C cable provides up to 5A and supports such fast charging standards as PD 100 W, FCP and QC 4.0, so it can, for example, charge an 11" iPad Pro in about 2.4 hours, a Nintendo Switch console in about 2.5 hours, and a Xiaomi Mi 10 Pro smartphone in about 75 minutes. The product also allows you to transfer files at speeds of up to 480 Mbps - now you can copy all the photos, videos or documents you need in no time.

Durable and safe to use

The cable has a built-in smart E-Marker chip, which is responsible for keeping the voltage stable, ensuring the safety of the devices being charged. The product is also very durable, with its most delicate parts additionally reinforced. In addition, the nylon braid and aluminum alloy covers protect the cable from damage, such as abrasion or breakage.
