Magnetic 2-in-1 USB to USB-C/Micro-B USB Cable Vention CQXHF 1m (gray)

Looking for a convenient and durable cable that you can easily charge your gear with? The Vention magnetic cable will be perfect for you! It will provide you with maximum comfort of use, and what's more, it was made of the highest quality materials, so it will serve you for a long time. What's more, two interchangeable endings will make it possible to use it with many different devices and nothing will limit you anymore!

### Comfort of use

The magnetic 2-in-1 cable was created with comfort in mind, so its length reaches up to 1m. It is equipped with two ends - USB-C and micro, so you can use it with many different devices. The magnetic connection is very strong - you don't have to worry about interruptions or interference. In addition, you can easily leave the interchangeable tips in your phone, which will prevent them from getting lost. What's more, the cable allows you to freely rotate 360° and bend horizontally by 180°, so it will be even more comfortable when playing games on your phone. With Vention, nothing will limit you!

### Fast charging and data transfer

What sets the Vention cable apart is its fast charging with a maximum current of 3 A, so your devices can be ready to use again in no time! This makes, for example, that the battery of your Xiaomi equipment with a capacity of 3000 mA can be fully charged in just 120

minutes! What's more, with its 7 pins, it also enables data transfer at 480 Mbps. Forget about the long wait for your documents to transfer from one device to another! In addition, it is made of the highest quality materials, which ensures its durability and strength.
