

## Car charger Joyroom JR-CL03 Pro 45W 5-Port USB (black)

Ref: 6956116735463

Car charger Joyroom JR-CL03 Pro 45W 5-Port USB (black)

Joyroom JR-CL03 Pro 45W 5xUSB car charger (black)

The Joyroom JR-CL03 Pro car charger is designed for people who travel in larger groups - with family or friends, for example. It offers up to 5 USB ports and a long cable so that rear seat passengers can also use it comfortably. The product supports QC3.0 fast charging and is compatible with most popular devices.

### Perfect for large families

With the JR-CL03, no passenger has to wait their turn to charge their phone. The charger is equipped with 5 USB ports and a long cable that allows it to be used comfortably by those sitting in the back of the vehicle. This way, parents can use the navigation and charge their smartphones without any hassle, while children travelling in the rear seats are free to play with tablets connected to the power supply.

### Fast charging

No longer do you have to wait too long for your phone to be charged - by the time you get to your destination, it will be fully operational! The JR-CL03 Pro supports QC3.0, AFC and FCP fast charging, and provides a total output power of up to 45W. In addition, a built-in smart chip guarantees stable, reliable charger performance and provides effective overheating protection.

#### Wide compatibility

Gain the ability to conveniently and quickly charge your devices while on the move. The charger is distinguished by its wide compatibility - ideal for use with most popular smartphone and tablet models. You can also use it to charge an e-book reader, a smartwatch, a Nintendo Switch console or even a drone. Say goodbye to limitations!

#### Safe use

Don't worry about the safety of the charger or the devices you charge with it. The JR-CL03 is equipped with an advanced protection system against overheating, overcurrent, short circuit, overcharging and overvoltage, among other things. What's more, the product is made from flame-retardant ABS and PC plastics, making it very robust and resistant to damage.

#### Even more convenience

Give yourself and your family even more convenience. The charger has been fitted with a special clip that allows it to be conveniently attached to the rear seat. It also has a built-in small lamp for an additional source of light in the car.
