Ref: 6956116701819

Car charger Joyroom JR-CL26, 2x USB-C PD, 1x USB 70W (black)

Joyroom car charger JR-CL26, 2x USB-C PD, 1x USB 70W (black)

Have peace of mind that your smartphone won't discharge during a long car journey. The Joyroom JR-CL26 car charger has 3 charging ports and offers up to 70W of charging power. It also supports the fast charging standards FCP, AFC, Power Delivery and Quick Charge. It stands out for its wide compatibility and will easily plug into most cars that have a cigarette lighter socket. It also ensures safe use.

Even faster charging

The Joyroom JR-CL26 charger offers charging with up to 70 watts of power. It also supports the fast charging protocols PD, AFC, QC3.0 or FCP. In as little as 25 minutes, renew the energy in your iPhone 14 Pro up to 50%!

Up to 3 devices simultaneously

No more waiting for your turn to charge your smartphone! The charger is equipped with up to 3 USB ports - 1x USB-A and 2x USB-C. So both you and the rest of the passengers in the car can conveniently connect your phone for charging.

Fits a wide range of devices

Forget about compatibility issues. The JR-CL26 works well with most popular devices. You can use the charger to charge Samsung smartphones or iPhones, iPads, Macbooks and Nintendo Switch consoles, among other devices. What's more, the charger is designed for a variety of vehicles - it fits into most cigarette lighter sockets.

Safe to use

Worried about the safety of your devices when charging? Don't be! The Joyroom car charger effectively protects connected equipment from damage. A number of protections prevent, among other things, overheating, overcharging, overvoltage or short circuit.
