

Thunder Flashlight Nextool 6 in 1 NE20170

Thunder Flashlight Nextool 6 in 1 NE20170

Ref: 6945064210931

Multi-functional 6-in-1 Flashlight Nextool NE20170

Looking for a flashlight that won't let you down in any situation? The Nextool flashlight is for you! With its help you will not only illuminate the road at night, but also send an S.O.S signal or read your favorite book after dark. This multifunctional device will be indispensable during household chores, as well as on camping trips.

Unique flashlight

The Nextool flashlight owes its uniqueness to its large 2600 mAh battery, which allows it to work for up to 48 hours. The equipment will emit light up to 1000 lm, so darkness will never be scary for you again. In addition, its range can reach up to 240 meters, which means that moving around in the dark will no longer be a hassle.

Various light modes

The Nextool flashlight can shine in 6 different modes and generate light with a brightness ranging from 6 lm to 1000 lm. A light with a brightness of up to 20 lm will be ideal for reading at night or doing home repairs, while a light of 180 lm will be your companion on walks after dark, as well as during car repairs. Special lights (red and white) located on the side of the flashlight and giving a light of 200 lm will work well as warning lights. This makes the Nextool flashlight a multifunctional piece of equipment, useful in many daily activities.

S.O.S function

The Nextool multifunction flashlight can offer you much more than just illuminating the space in front of you. It has been equipped with the S.O.S. function. By activating this mode, the device will broadcast not only a light signal, but also a >90 dB sound. It can operate for up to 5 hours. In addition, it also has a retractable lens that will allow you to adjust the focus of the light.

Comfort of use

The NE20170 flashlight will be comfortable to use. You will change its modes at the touch of a button. What's more, you won't need to hold it in your hand during repair work, as it is equipped with a magnetic handle with 360° adjustment. It also includes a powerbank that will allow you to charge your phone. A USB-C cable has been included, which will allow the flashlight's battery to regain full power in no time.

Security

Nextool gives you a guarantee that your device is safe. The NE20170 flashlight is made of the highest quality materials, making it durable. In addition, it exhibits drop resistance up to 1m and IPX4 water resistance. This makes it suitable to take with you on any trip.
