Nextool multifunctional belt NE20020

Want to always have useful tools next to you? By putting on the Nextool multifunctional belt it will be possible! It combines a high-quality belt and the most necessary tools that you can use in more than 10 ways.

Quick access to tools

You no longer have to worry about long searches for the most necessary tools - today you will always have them at hand. The Nextool belt is equipped with specially clipped tools, contained in a credit card-sized case. You'll be able to take them out with a flick of the wrist, plus they won't weigh you down, as they're very lightweight.

Multiple functions

The Nextool belt offers more than 10 functions. You will find a screwdriver, knife, small scissors, nail file, bottle opener or SIM card pin, among others. And that's not all! The Nextool will be your companion during everyday tasks around the house and will become an indispensable companion for any trip to the mountains or camping.

Excellent quality

The Nextool multifunctional belt is made of polyester and the tools are made of 2Cr13 metal alloy, so you are guaranteed excellent

quality. It is resistant to wear and tear, and you can easily wash off stains and dry it in no time. This makes you able to take it with you even in difficult terrains.

Comfort of use

The Nextool belt is not only a multifunctional addition to your styling. It will also be very comfortable to wear, as you don't have to worry about running out of holes. The belt does not contain them, however, you always have the option to adjust it to your waist. It is also easy to fasten and unfasten, thanks to a special buckle. Its length is 1180 mm and its width is 39 mm, which makes it an ideal belt for everyone.
