Cocinare CICM-301 Krush Freezer Bowl (black)

Krush freezing cup for Cocinare CICM-301 (black)

The Krush freezing mug by Cocinare provides an insulated freezing system. The product is extremely handy and is made of high-grade materials, such as stainless steel, so it is highly resistant. Keeping it clean will not give you any trouble, and the included bag allows you to enjoy the perfect consistency of ice cream even longer. The product is compatible with the Cocinare CICM-301 cordless ice cream maker.

Reliable cooling system

There's nothing better than the refreshing taste of ice cream on a hot day, and Cocinare's Krush Frosting Mug and the included bag allow you to keep as much as 210g of ice cream cool and fresh for 5 hours, even on hot days when the temperature reaches 30°C. The product uses more than 400 g of special cooling liquid, ensuring reliable freezing. Now you can relax on your holiday trip and always have your favorite ice cream, sorbet or frozen yogurt on hand!

Solid workmanship

Cocinare's product is BPA-free and made of 304 stainless steel, as a result, it is extremely durable and corrosion-resistant. You can be sure that it will serve you for a long time!
