

Smoke Detector X-Sense XS01-WT Tuya Wi-Fi

Ref: 5905316145146

Smoke Detector X-Sense XS01-WT Tuya Wi-Fi

X-Sense XS01-WT Tuya Wi-Fi smoke detector sensor

Want to make sure that your home, you and other household members are always protected? The XS01-WT smoke detector will take care of your and your family's safety. When it detects danger, it will notify you right away through an audible signal, as well as through a dedicated app. Thanks to it, you can also control the sensor and, among other things, turn off false alarms, even when you are not at home.

Smoke detector for your home

The X-Sense smoke detector will be an indispensable device for your home. It will take care of your safety and help detect danger. If you buy this device, it will serve you for a long time, as its lifespan is 10 years, while the replaceable 3V CR123A lithium battery will last for as long as 1 year. Don't worry, however, when it runs out, as it is very easily accessible.

Dedicated application

You can conveniently control the XS01-WT smoke detector with the dedicated TuyaSmart or Smart Life app. You can easily connect it to the device via a 2.4 GHz Wi-Fi network. With it, you can control the detector remotely and also be alerted to any emergency situations, as the app sends notifications to your phone.

Comfort of use

The X-Sense smoke detector, thanks to its dedicated app, will be very convenient to use. With its help, you will receive real-time notifications to your phone when the alarm is triggered or if there is something wrong with the battery, the sensor itself or the Wi-Fi connection. In addition, you will easily be able to mute false and annoying alarms with the push of a button. No longer will you have to climb up a ladder or over countertops to turn it off.

Safety

This sensor is UL 217, EN 14604:2005 compliant making it a fully safe tool for you and your family. Its volume level is 85 dB, which will not cause hearing damage. In addition, it was created from the highest quality ABS material, which guarantees its durability.

Unique design

The X-Sense XS01-WT smoke detector is not only a guarantee of safety, but also a unique design. Thanks to its slim and modern design, it will fit into any interior. It will also be easy to install, as it is lightweight and small.

Included

SX01-WT Smoke Detector

Mounting bracket x 1

Screws x 2

Expansion bolts x 2

Instruction manual

Specification:

□ Producer

□ X-Sense

□ Model

□ XS01-WT

□ Service life

□ 10 years

□ Battery life

□ 1 year

□ Power source

□ Replaceable lithium battery 3 V CR123A

□ Sensor type

□ Photoelectric

□ Safety standards

□ UL 217, EN 14604:2005

□ Standby current

□ < 6 μ A (average)

□ Alarm current

□ < 130 mA (average)

□ Operating temperature

□ 4,4-37,8° C

□ Relative humidity during operation

□ \leq 85% RH

□ Alarm volume

□ \geq 85 dB at a distance of 3 m

□ Operating range

□ 20-40m²

□ Maximum number of connected units

□ 24 wireless units (only compatible with X-Sense wireless alarms)

□Indicator light

□LED (red/blue)

□Material

□ABS

□Weight

□92 g

□Dimensions

□78 × 78 × 48 mm

□Wireless frequency

□2.4 GHz

□App

□TuyaSmart/Smart Life (supported for Android and iOS)
