Joyroom JR-14X3 transparent case for iPhone 14 Plus

Transparent Joyroom JR-14X3 case for iPhone 14 Plus

Ensure effective protection for your smartphone. The Joyroom JR-14X3 case is designed for the iPhone 14 Plus and provides reliable protection against damage. It is also very light and thin, so it does not affect the comfort of the phone. It has been created from robust TPU material and is highly durable.

Protection against damage

Looking for a new case for your phone? Then opt for the Joyroom JR-14X3! The accessory has been created from high-quality TPU plastic and has been designed to provide the smartphone placed in it with reliable protection. Don't worry about your iPhone being damaged by a fall or bump!

Lightweight and transparent case

The JR-14X3 case is transparent, so it doesn't cover up the original colour or design of your smartphone. It will be a great choice if you want a stylish, minimalist design. The accessory is also very light and thin, allowing you to use your phone comfortably inside it.
