Replacement filters for Homerunpet WF20 Pet Fountain (3 pieces)

Ref: 6970834419146

Replacement filters for Homerunpet WF20 Pet Fountain (3 pcs.).

The replacement filters are designed for use in the Homerunpet WF20 smart dog and cat fountain. They will be indispensable when purifying water, as they are equipped with triple filtration, consisting of coconut charcoal placed between two cotton nets. It will give you a guarantee that your pet is drinking clean and fresh water, as the filter removes hair, impurities, as well as heavy metals from the water.

### Using

After unpacking, remember to soak and rinse the filter under water for 2 minutes. It is recommended to replace it in the fountain every 30 days. Once purchased, you can store it for up to 3 years. The set includes 3 pieces.
