

## Bicycle Bag Rockbros B59 (black)

Bicycle Bag Rockbros B59 (black)

Ref: 5905316146303

### Rockbros B59 bicycle bag

The Rockbros B59 bicycle bag is a must-have for every cycling enthusiast. The product is distinguished by a capacity of 1.5 l, which allows you to conveniently store the most necessary accessories during bicycle trips. What's more, the airtight zipper ensures the safety of your property. The bag has a main pocket and a compartment and is made of high-quality materials that are water-resistant.

### Large capacity

Take your most necessary accessories on a bike tour. The 1.5L capacity Rockbros B59 bag offers one larger pocket and a compartment, so you can organize your space perfectly. Make sure everything you need is always at hand!

### Refined design

Thanks to its water resistance, the Rockbros bike bag will perform perfectly even in adverse weather conditions. The rubber zipper ensures the safety of your property. What's more, you won't have any trouble assembling the product.
