

Waterproof shoe covers Rockbros LF1015 (black)

Ref: 5905316146211

Waterproof shoe covers Rockbros LF1015 (black)

Rockbros waterproof boot protectors LF1015 (black)

No weather will frighten you with Rockbros boot protectors! The product is made of lycra and cotton fabric. It was also completed with a layer of rubber, so it will serve you for many seasons. The protectors are windproof, waterproof and suitable for all seasons. They will protect your shoes from getting wet, ensuring riding comfort in all conditions. They will work well with road and MTB cycling shoes, and since they have side reflectors, they will keep you safe during night rides.
