Winter Face mask Rockbros LF7478-B1 (black)

Rockbros LF7478-B1 (black) bicycle balaclava

Ensure full thermal comfort while cycling! The Rockbros balaclava will protect your face and head from adverse weather conditions. The product is flexible, which makes it stand out for its universal size, and the use of high-quality materials makes the balaclava breathable, as well as windproof and waterproof. The long cut fully protects the neck and neck, and the reflective logo will positively affect your visibility on the road. The mantel features several details that will further enhance your comfort.

Comfortable protection

The balaclava is made of sturdy materials and includes Lycra, so you can be sure that you will be comfortable. The product fits snugly around your head and face, so it will easily fit under your helmet. The mouth cover features breathable mesh, so you'll be able to breathe and talk comfortably without exposing your face. What's more, the balaclava is finished with a flat seam, which will not cause irritation and discomfort.
