Joyroom JR-G04 Glass iP 14 Pro Max 6.7 (Eye Protection)

Joyroom JR-G04 tempered glass for iP 14 Pro Max 6.7 (Eye Protection)

Need extra protection for your iPhone 14 Pro Max? Joyroom's tempered glass will do the job perfectly. It exhibits a hardness of 9 H, which means it will be extremely resistant to scratches or drops. In addition, it will also protect your eyes from harmful blue light.

Perfect protection

The Joyroom JR-G04 tempered glass will provide excellent protection for your phone's screen. The improved design will prevent water and galley from getting into the speaker, so you can rest assured about the sound quality of your smartphone. What's more, this glass will protect the screen from leaving dirty prints on it.

Eye protection

To give you the best possible protection, Joyroom JR-G04 is also equipped with a special filter that eliminates harmful blue light. This allows you to use your smartphone safely without feeling eye fatigue.

Excellent durability

The JR-G04 glass is distinguished by its excellent durability and hardness of 9 H. This makes it able to withstand pressure of up to 1000 g! It has gone through many tests, so you can be sure of its diamond hardness.
