Joyroom magnetic ring JR-Mag-M3 (black)

Want to enhance your phone's capabilities? Equip it with the Joyroom magnetic ring! It will transform its non-magnetic case into a magnetic one and increase its applications!

Strong magnet

The Joyroom magnetic ring is very strong, as it could lift up to 4 iPhone 13 Pro Max! This gives you the assurance that your phone will not accidentally detach from the car mount. What's more, it exhibits magnetic strength as much as 30% greater than ordinary magnetic cases. You won't have to limit yourself anymore, as it is also suitable for inductive charging.

Easy installation

JR-Mag-M3 is a useful gadget that you can easily install on your phone. All you need to do is clean the surface of your smartphone, remove the protective film from the ring and install it in the desired location. What's more, the Joyroom JR-Mag-M3 magnetic ring will fit many phones including iPhone, Samsung and Xiaomi.
