Power Bank 22.5W 10000mAh Joyroom JR-QP191 (black)

Power Bank 22.5W 10000mAh Joyroom JR-QP191 (black)

Need to power up your smartphone no matter where you are? With Joyroom it is possible! The powerbank has a capacious 10,000mAh battery and supports fast charging. It will also be very easy to transport and store, thanks to its lightweight and slim design.

Charge multiple devices

With the Joyroom powerbank, you can charge as many as 3 pieces of equipment at the same time. The portable battery pack is equipped with 2 input and 3 output pores, making it compatible with multiple devices. Today any of your equipment will be ready for use!

Fast charging

The Joyroom powerbank was created with comfort in mind, so it is equipped with fast charging technology. The power of 22.5 watts will charge more than half of your smartphone's battery in as little as 30 minutes! Your gear will be ready to go in no time.

Comfort of use

You no longer have to wonder how much battery is left in your powerbank, as the JR-QP191 is equipped with a digital display so you'll be able to monitor the battery level in real time. What's more, it will be very easy to transport, thanks to its lightweight and slim design.

Safety

The Joyroom powerbank is also a guarantee of safety. It has received CE and FCC certifications. This means that it protects your equipment from overcharging, short-circuiting and discharging. Enjoy your portable battery that will be an indispensable companion on every trip.
