Mini Wireless PowerBank 20W 10000mAh Joyroom JR-W020 (black)

Mini wireless PowerBank 20W 10000mAh Joyroom JR-W020 (black)

Have confidence that your smartphone won't run out of energy to operate. The Joyroom JR-W020 compact powerbank will charge it quickly! The device provides up to 20 W of power and has a capacity of 10,000 mAh. It supports wireless charging and is equipped with 2 ports - USB-A and USB-C. So you can connect up to 3 devices to it at the same time!

Fast charging

With the help of the powerbank you will charge your devices in a surprisingly short time. The product offers an output power of up to 20W and is compatible with standards such as PD 20W, QC 18W, PD 18W and AFC 18W. It also stands out for its wide compatibility - allowing you to seamlessly charge smartphones, tablets, wireless headphones, smartwatches, Nintendo Switch consoles and more.

Charge 3 devices at the same time

Need to charge more devices? Or maybe you want to share the powerbank with another person? No problem - the JR-W020 is equipped with 2 ports (USB-A and USB-C), and supports wireless charging. So you can seamlessly charge up to 3 phones at the same time - no one has to wait for their turn!

Built-in magnets

Mobilemax - Gadgets and Accessories

The powerbank is equipped with high-quality magnets, so that the phone placed on it remains stably in place. So you can comfortably use your smartphone while charging wirelessly - don't worry about your device falling and being damaged. Free yourself from cables and enjoy more freedom!

Lightweight and compact

Say goodbye to big, heavy and bulky powerbanks. Joyroom JR-W020, despite its capabilities, is extremely lightweight and compact. It fits easily in your hand and is very easy to transport. You will easily find a place for it in your purse or backpack! Take it on vacation, on the train or to college and enjoy the ability to conveniently charge your devices wherever you go.

10,000 mAh capacity

Forget about having to charge your powerbank after every use. The JR-W020 has a capacity of 10,000 mAh - enough to use it even a few times before you need to charge it again. Information about the charge level of the device will provide you with built-in LEDs.
