Ref: 5905316146471

Sunnylife bag for DJI RS 3 Mini

Want to keep your RS 3 and its accessories safe at all times? Stock up on the Sunnylife bag! With dedicated compartments and a mesh pocket with a zipper, you will be able to accommodate all the equipment you need in the bag. Sunnylife, thanks to its shock resistance, is a guarantee of safety.

Large capacity

The Sunnylife bag will accommodate all the necessary accessories such as a tripod or gimbal. It also has room for a charging case. What's more, it includes an additional mesh pocket with a zipper, so you can fit even more necessary accessories in the bag!

Security

Sunnylife is committed to the safety of your equipment, which is why the bag was created with the utmost care. Its case is shockproof and will soften external impacts for effective protection. You can rest assured about your devices from today!

Convenient user

Sunnylife bag is not only functional, but also very comfortable to use. You can carry it on your shoulder or in your hand with a comfortable handle, so it will answer your every need. In addition, it is equipped with two zippers to make its use even more convenient.
