Ref: 6941237177629

Cable Type-C Lightning 20W 1m Joyroom S-1024N1-PD (black)

Joyroom S-1024N1-PD USB-C Lightning 20W 1m cable (black)

Ensure your iPhone can be charged quickly. The Joyroom S-1024N1-PD cable supports the 20W PD standard, which is compatible with the latest versions of iOS. The product also boasts impressive durability and damage resistance. It provides up to 2.4 A and has been made from high-quality materials.

Fast charging

Experience how quickly you can charge your iPhone. The Joyroom S-1024N1 cable supports PD 20 W fast charging and offers an amperage of up to 2.4 A. This means that you no longer have to wait too long until your smartphone is ready to use again!

Robust, durable design

Opt for the highest build quality. The reinforced copper cable guarantees faster charging and the nylon braid protects the cable from damage and wear. The S-1024N1 also stands out for its resistance to bending and pulling. It has also been equipped with high-quality connectors that do not loosen even after long use.
